Extra Fees

A list of items your client might need to be aware of before starting a website project. We try to avoid those hidden fee's that can leave a bad taste on a great project.

Items	\$	Notes
Code Development (Agency Rate)	\$80p/h	
Code Development (Direct to Client)	\$120p/h	
Domain Name: www.netregistry		Think of the domain name as an asset to the business. We recommend the client buys this themselves so that they own it. Fees can be found on website starting at \$11.95.
Hosting: www.mediatemple.net		This is another important asset to the business. We recommend the client buys this themselves so that they own it. We will provide a referral link to the recommended hosting plan. Starting at \$20/per month USD.
Site Launch Fee	\$220	If the website is being hosted on another provider we charge a site launch fee as some hosting environments come with a level of difficulty that Media Temple does not.
